

Senior Model Team

Why join the Model Team?

- 1) As a model team member you will have your own Signature Senior Portrait Session.**
We'll do a consultation to plan a customized session just for you. We'll get to know you better so we can create a session for you that tells your personal story. We'll discuss your likes and loves, so the images will speak volumes about who you truly are. We'll discuss outfits, and how to prepare for your session, so you'll feel like your very best self! You can share ideas you have and show us images you love! We'll plan which locations to shoot at and work out a plan for the day.
During your session, we'll guide you through things like posing, expressions, and what to do with your hands. But we'll also capture lots of "real" moments, and maybe even some "behind the scenes" stuff just for fun!
- 2) Styled Sessions! Our model team will get to participate in fun styled photo shoots!**
Every team member will have the opportunity to participate in as many, or as few of these as they want. Some ideas for these include: parachute dress on the beach, 70's retro, smoke bombs, artistic water, urban art, Great Gatsby-roaring 20's, romantic skirts and flower crowns, patriotic, show off the cars, and so many more possibilities! We might even be able plan a special destination session for the group.
- 3) Special Bonus - Best Friends Session!**
You can invite your closest friends to this event. These are super fun and we can help you plan a theme and celebrate your closest friendships.
- 4) Be featured in our MBP magazine! Each model will have a full spread layout.**
You'll be able to choose your favorite images to be published and receive your own print copy to keep. You will also get a digital version you can share with everyone!
- 5) Get your customized Phone App.**
Every model receives their own phone app after the first session and we'll add photos to it after every session! It's the easiest way to show and share your images with your friends and family!

SENIOR MODEL TEAM

MBP Models do so much more than take amazing photos though!

- 6) Our model team members are given the opportunity to unleash their own skills.**
You'll have the opportunity to participate in creating, designing, and planning the styled group sessions. We value your input and creativity and really want these to be fun and amazing! You can be involved as much, or as little as you want. Are you a fashion diva or talented at hair or makeup? Does your inner "designer" want a chance to shine? We're thrilled for you to join in and explore those talents!!
- 7) Some of our models will have a chance to "intern" with us.**
Do you have incredible organizational skills, or are you a marketing genius? You might be an Instagram whiz or a photoshop wizard! Maybe you have super graphic design skills, or you're an artist? Would you like to assist on photoshoots? Whatever your talents are, we'd love to help you expand on them and put them to good use! We're always happy to write recommendation letters for our interns also.
- 8) A chance to give back and make a difference in your community.**
We strongly believe in community and supporting those who go above and beyond. We'll be holding at least one charitable event. We'll plan, create, and hold an event to raise some \$\$'s and awareness for a local charity. You will have input into what, where, and how we do this. Our models will help plan this from start to finish and our goal is to have everyone's participation in this!

We believe everyone has something to offer, and there's no better feeling than knowing you've done something that made a difference, you've contributed to something good and done so with your heart, as well as your hands.
- 9) You will be a positive role model for the upcoming classes.**
Setting a great example is always a great idea! You'll complete a short interview for your magazine spread and have a chance to give some survival tips and inside info to next year's Seniors!
