## Art Camps for Rising 1<sup>st</sup> - 3<sup>rd</sup> Graders

---

### **Art Explorations Summer Sampler**

Get a taste of what the fine arts have to offer, exploring drawing, painting, sculpting, fibers, and more. With a different focus every day of the week, this camp offers budding art enthusiasts a chance to experience a variety of art media.

### **ArtSplosions! Art/Science Lab**

Eek, boom, splash! Homemade goo, robots that can move, and plants that just *dye* to be different make their way into this artful science camp. From chemistry to ecology, drawing to sculpting...art and science explode at the CVA this summer.

### **Builder's Workshop**

Campers will learn the basics of using a carpenter's hand tools to construct their own birdhouse, a personalized toolbox, and more. We'll be exploring a bit about the science of construction, too – learning how to think about how different shapes and materials work. Along the way, they'll explore famous artists, architects, and craftspeople who work in wood.

### **Clay Makers**

Campers will use a variety of methods to create sculptural and functional forms with clay. Through hands-on experiences, campers will develop an awareness and respect of ceramic forms, materials, and equipment. From basic hand building techniques like slab and coil building to freeform sculpting, we will explore it all!

## Post-Camp Explorers

3-6 p.m., daily

*Add on for full-day campers only*

Campers will enjoy up to three hours of time exploring the Cultural Center, LeBauer Park, and indoor free art and play time as a group with instructor supervision.

### **DaVinci's Workshop**

Campers will learn about the famous scientist, inventor, and painter, Leonardo DaVinci, through hands-on experiments, inventions, and creation of their own masterpieces. They'll learn about the genius's creative process by making their own sketchbooks, designs, drawings, and inventions.

### **DIY—"Nailed It!"**

Is your child a DIYer in the making? This camp is perfect for kids who want something different each day! Campers will have the opportunity to "Nail it!" by completing new challenges each day in re-creating professional masterpieces. They'll have a blast competing as they try to build, craft, decorate, and more.

### **Invent It!**

Budding inventors and kids whose minds are already thinking about their "million-dollar idea" will love this camp. Construct, transform, and light up this art camp with your very own inventions. Propose your idea to the "Shark Tank" for the day, and let your inner entrepreneur run wild.

### **LEGO Art**

Everyone loves LEGOs! In this super-fun camp, young artists will construct sculptures, make art prints, and even create a stop-motion animation video using the colorful interlocking blocks. This isn't a step-by-step LEGO construction experience, but a full-on art experimentation camp for creative kids wanting to push their limits.

### **Painting**

Campers will explore their creativity through painting with acrylics while learning about different artists and styles. Projects may include abstract, still life, or landscape paintings.

### **Space Race**

And we're off! Off to the moon, stars, and far-away galaxies. Put on your space suit, jump in your rocket, and prepare for close encounters of the alien kind. Astronauts will explore the planets near and far faster than the speed of light, learn about space, and create the visuals to document their explorations.

### **Sketchbook**

This camp is for kids who love to draw! Campers begin the week creating their own sketchbooks and adding to them each day. Working indoors and out, campers will use a variety of drawing media and explore sketchbooks used by famous artists, while learning the elements of art and principles of design.

### **Superhero Transformations**

Would a cape or wings enhance your flying abilities? Need night vision goggles to complete your top-secret mission? In this camp, make whatever you need to be whoever you want to be! This is a hands-on, imagination-filled, exploratory art camp, where campers will have access to a variety of materials to make their superhero dreams take flight.

---

## **Camps for Rising 4th - 6th Graders**

---

### **Animation & Character Design**

In this digital illustration camp, campers bring their own video game characters to life. Campers begin by creating hand-drawn original characters, then develop storyboards and scenes. The final product? Their own animated short film. Parents: Be prepared to be blown away by the results!

### **Anime**

Campers will learn the fundamentals of drawing anime-style characters while working through developing a narrative, character design, and storyboarding. Beginning with basic drawing shapes, young artists will expand their skills to create graphic representations of the anime characters in their imaginations.

### **Art Explorations Summer Sampler**

Get a taste of what the fine arts have to offer, exploring drawing, painting, sculpting, fibers, and more. With a different focus every day of the week, this camp offers budding art enthusiasts a chance to experience a variety of art media.

### **ArtSplosions! Art/Science Lab**

Eek, boom, splash! Homemade goo, robots that can move, and plants that just *dye* to be different make their way into this artful science camp. From chemistry to ecology, drawing to sculpting...art and science explode at the CVA this summer.

### **Boom! Pow! Wham! Graphic Novels Comic Workshop**

Comics, cartoons, and fantasies: They all grow from someone's imagination! Campers will design their own characters and learn about creating graphic stories in a sequence. At the end of the week, campers will take home the start of your own graphic story...so start dreaming now.

### **Clay Makers**

Campers will use a variety of methods to create sculptural and functional forms with clay. Through hands-on experiences, campers will develop an awareness and respect of ceramic forms, materials, and equipment. From basic hand building techniques like slab and coil building to freeform sculpting, we will explore it all!

### **DaVinci's Workshop**

Campers will learn about the famous scientist, inventor, and painter, Leonardo DaVinci, through hands-on experiments, inventions, and creation of their own masterpieces. They'll learn about the genius's creative process by making their own sketchbooks, designs, drawings, and inventions.

### **Digital ArtLAB**

Enter the fascinating world of digital art. Campers will try their hand at the arts of digital photography, graphic design, and stop-motion animation while learning about the origins of the media and discovering how modern-day creatives deploy them in fine art and graphic design careers.

### **Digital Photography**

Say cheese! Students will learn the basics of how to use the camera while learning about different kinds of photography and exploring how professional photographers use digital photos in art and business. Through hands-on practice with the CVA's DSLR cameras (or their own, if they prefer) students will be able to create their own portfolios of images by the week's end.

### **DIY—Nailed It!**

Is your child a DIYer in the making? This camp is perfect for kids who want something different each day! Campers will have the opportunity to "Nail it!" by completing new challenges each day in re-creating professional masterpieces. They'll have a blast competing as they try to build, craft, decorate, and more.

### **Invent It!**

Budding inventors and kids whose minds are already thinking about their "million-dollar idea" will love this camp. Construct, transform, and light up this art camp with your very own inventions. Propose your idea to the "Shark Tank" for the day, and let your inner entrepreneur run wild.

### **LEGO Art**

Everyone loves LEGOs! In this super-fun camp, young artists will construct sculptures, make art prints, and even create a stop-motion animation video using the colorful interlocking blocks. This isn't a step-by-step LEGO construction experience, but a full-on art experimentation camp for creative kids wanting to push their limits.

### **Painting & Mixed Media**

Students work with acrylics and various other media to create one-of-a-kind pieces that are sure to be the focus of conversation when displayed in any room. Instructors will teach fundamentals of putting paint to canvas and paper, composition, color theory, and using mixed media to create art.

### **Sketchbook**

This camp is for kids who love to draw! Campers begin the week creating their own sketchbooks and adding to them each day. Working indoors and out, campers will use a variety of drawing media and explore sketchbooks used by famous artists, while learning the elements of art and principles of design.

### **Tiny Houses & Rooms**

If your camper is in love with miniatures – whether it's fairy gardens or action figures – they'll love this creative camp! To start the week, they'll develop the story behind their tiny room or mini-house. Then, they'll design the exterior details, using a variety of media. Next up? Creating design elements like furnishings, artwork, accessories and more for your very own tiny room.

### **Video Editing/You Tube**

Calling all wanna-be YouTubers! Think you have what it takes to create your own video shows, unboxing videos, game review, or something else folks will tune in to? In this camp, you will develop ideas for your production, figure out how to plan out the story, and ensure you have all the materials you need. Next, you'll dive in, creating content for your video using Adobe Premiere. At the end of the week, you will go home with your video and a personal subscription to the Adobe Creative Cloud (a \$699 value!).

## **ArtVenture Days for Rising 1<sup>st</sup> – 6<sup>th</sup> Graders** **9 a.m. - 3 p.m. THE WEEK OF AUGUST 17th ONLY!!**

The week before Guilford County Schools starts back up for the Fall, most camps are closed. This week, we offer a special ArtVenture camp, where students will explore a variety of art, creative play, and discover what's in and around the Greensboro Cultural Center. The travel theme for the week affords campers the opportunity to learn about art around the world as they explore different locations each day.

## **Camps for Rising 7th - 9th Graders** **(all camps for this age run 8:30 a.m. - 3 p.m.)**

---

### **Ceramics & Sculpture**

Campers will use a variety of methods to create sculptural and functional forms with clay. Through hands-on experiences, campers will develop an awareness and respect of ceramic forms, materials, and equipment. From basic hand building techniques like slab and coil building to freeform sculpting, we will explore it all, including creating using the pottery wheel.

### **Digital ArtLAB**

Enter the fascinating world of digital art. Campers will try their hand at the arts of digital photography, graphic design, and stop-motion animation while learning about the origins of the media and discovering how modern-day creatives deploy them in fine art and graphic design careers.

### **Digital Photography**

Say cheese! Students will learn the basics of how to use the camera while learning about different kinds of photography and exploring how professional photographers use digital photos in art and business. Through hands-on practice with the CVA's DSLR cameras (or their own, if they prefer) students will be able to create their own portfolios of images by the week's end.

### **DIY—Nailed It!**

Is your child a DIYer in the making? This camp is perfect for kids who want something different each day! Campers will have the opportunity to “Nail it!” by completing new challenges each day in re-creating professional masterpieces. They’ll have a blast competing as they try to build, craft, decorate, and more.

### **Fantasy Illustration**

Cartoons, comics, and fantasies...they all come from someone’s imagination! Do you have a favorite character you love to draw? This week will focus on developing your own character--understanding the dynamics of the character’s face, the art of exaggeration, body construction, action lines, structural and center lines, and composition.

### **Painting & Mixed Media**

Students work with acrylics and various other media to create one-of-a-kind pieces that are sure to be the focus of conversation when displayed in any room. Instructors will teach fundamentals of putting paint to canvas and paper, composition, color theory, and using mixed media to create art.

### **Sketchbook**

This camp is for kids who love to draw! Campers begin the week creating their own sketchbooks and adding to them each day. Working indoors and out, campers will use a variety of drawing media and explore sketchbooks used by famous artists, while learning the elements of art and principles of design.

### **Video Editing/You Tube**

Calling all wanna-be YouTubers! Think you have what it takes to create your own video shows, unboxing videos, game review, or something else folks will tune in to? In this camp, you will develop ideas for your production, figure out how to plan out the story, and ensure you have all the materials you need. Next, you’ll dive in, creating content for your video using Adobe Premiere. At the end of the week, you will go home with your video and a personal subscription to the Adobe Creative Cloud (a \$699 value!).

## **Summer Art Studios** **for Rising 8<sup>th</sup> - 12<sup>th</sup> Graders Serious about Art**

---

Our Summer Art Studios are designed for the serious teenage artist who is interested in exploring art as a career or continuing studies at the university level.

Participants have an opportunity to explore their interests while gaining practical knowledge and skills to prepare for the creation of their portfolios. These week-long, art-intensive camps are taught by artists specializing in each field who are able to share their experiences and expertise. All Summer Art Studios run from 8:30 a.m. to 3 p.m.

Choose one week or all three!

- **Drawing & Painting**
- **Ceramics & Sculpture**
- **Photography & Digital Art**

## **Just for Preschoolers - Rising Kindergarteners**

### **Garden Party**

Nurture your artistic green thumb with creations inspired by magical gardens full of flowers, plants, and bees. Campers will create their own indoor garden using a variety of artistic media, exploring natural forms, different types of gardens, and using art to learn and show how things grow.

### **Pint Sized Picassos**

Paint like Van Gogh, collage like Matisse, and take a cue from other masters (like our friend Picasso) from around the globe. Your child will explore their creativity through drawing, painting, and sculpting. Fine motor skills, coordination, and self-esteem will be enhanced as your tot explores the world around them through art.

### **Rhyme Time, Seuss Moose**

Take a note from the best rhymers of all time and learn a thing or two from a kind-hearted moose. From nursery rhymes old and new to Seussville stories, this camp will have campers combining the literary and visual arts in a variety of media. Campers will create their own illustrated rhymes, learn about characters, and have daily storytime from our favorite illustrated children's books.

### **Space Race**

And we're off! Off to the moon, stars and far-away galaxies. Put on your space suit, jump in your rocket, and prepare for close encounters of the alien kind. Astronauts will explore the planets near and far faster than the speed of light, learning about space, and creating the visuals to document their explorations.

**Emergency Contact Information:** In case of emergency, if the CVA staff is unable to reach me by phone, and it is an emergency that appears to require immediate emergency medical assistance, I hereby give my permission for the staff to contact 911 and secure treatment for my child as named above. Additional person (other than parent) to be called in case of an emergency:

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

**Ride Permission:** Only individuals listed under Ride Permission may pick up your child. Please send a note if there are additions to this list.

1. \_\_\_\_\_ ph# \_\_\_\_\_
2. \_\_\_\_\_ ph# \_\_\_\_\_
3. \_\_\_\_\_ ph# \_\_\_\_\_

### Liability & Permissions

We take campers outside, weather permitting, to LeBauer Park for breaks during the day. Campers are under constant supervision by our staff. By signing below, you are giving permission for your child to go to the park under CVA supervision. Additionally, please indicate below your agreement with the following:

To the best of my knowledge, my child is able to carry on any and all of the activities in the CVA's Programs. I agree to release from liability and agree to hold harmless the Center for Visual Artists, the Greensboro Cultural Center, and the City of Greensboro from any accidents that may occur when not under the CVA's direct supervision.

I understand that the Center for Visual Artists may take photographs/video during art camp and will allow their use for publicity purposes.

I agree with Photo Consent: By Checking "I agree," I am stating that I agree to the liability stipulations above in addition to photo/video consent.

I agree WITHOUT Photo Consent: By checking "I agree," I am stating that I agree to the liability stipulations above but do NOT give photo/video consent.

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**Please select camp(s) for which you are registering:**

**Week:** \_\_\_\_\_ **Camp Name:** \_\_\_\_\_ **Camp Time:** \_\_\_\_\_

**Age Group (Please Circle)**

Rising 1<sup>st</sup>-3<sup>rd</sup> Grades    Rising 4<sup>th</sup>-6<sup>th</sup> Grades    Rising 7<sup>th</sup>-9<sup>th</sup> Grades    Preschool to Rising Kindergarten

Rising 8<sup>th</sup>-12<sup>th</sup> Grades

See the attached schedule for themes/camp descriptions/times. Preschool to Rising Kindergarten camps are morning-only camps.

- Full-Day Camp Hours = 8:30 a.m. to 3 p.m.
- Half-Day Camp Hours = 8:30 a.m. to 12:30 p.m.
- Post-Camp Hours = 3 p.m. to 6:00 p.m.

**Refund Policy:** Any cancellations made two weeks or more prior to the start of camp will be eligible for a 50% refund or a 100% credit toward any other CVA camp/class. Cancellations made less than 2 weeks prior to the start of the camp will not be eligible for a refund but may choose a 100% credit toward other CVA classes/camps. Registration changes may be made as space is available, but each change will incur a \$10 processing fee. If CVA must cancel a camp due to lack of enrollment, parents will be contacted no later than Wednesday prior to the camp starting on Monday and will be given a choice of a 100% refund or transfer to another camp.

**Number of half-day camps:** \_\_\_\_\_ **x \$155 =** \_\_\_\_\_

**Number Full-Day Camps:** \_\_\_\_\_ **x \$248 =** \_\_\_\_\_

**Number of camps for rising 8<sup>th</sup>-12<sup>th</sup> grades:** \_\_\_\_\_ **x \$265 =** \_\_\_\_\_

**Number of weeks of post-camp:** \_\_\_\_\_ **x \$50 =** \_\_\_\_\_

**Subtotal =** \_\_\_\_\_

**Less Discount (Max of 15% combined) -** \_\_\_\_\_

**Total** \_\_\_\_\_

**Available Discounts**

- **Early Bird: Save 10% per camp when registering by 11:59 p.m. on March 15, 2020.**
- **CVA Members: Save 10% when registering by midnight on May 15<sup>th</sup>.**
- **Multiple Camps: Save 10% when registering for 3 or more half or full-day camps.**
- **Sibling Discount—1<sup>st</sup> child full price, siblings save 10%.**
