

Sports PHOTOS

Rec Teams

On picture day, we will be there early and with extra staff to make sure everything is running smoothly! We will have a sales table that showcases samples of our products, extra order forms, and staff to assist with anything you need. Our photographers are trained in all aspects of sport photography and will make sure your athlete is posed correctly but they will not provide props. If you would like your child holding a prop, for example a basketball player would hold a basketball, then please come prepared with your own basketball.

Recreational Teams use a prepay system. We will send home order forms before the shoot and have an online version available on our website. We will also have paper forms on the day of the shoot and payment can be made on site. If you miss filling out the forms before the shoot, please call the studio for assistance.

Make sure you look your best! Wash your uniform the day before picture day so it is fresh and clean. Do not put the uniform in a bag before photos or you will have wrinkles, it is best to hang it up.

School Sports

Check with your coach or athlete for information that has been provided to them. Each sport/coach sets up their own shoots, and may have special requests from us. We communicate directly with the coaches to get information out to the teams.

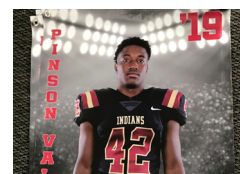

Booster Clubs

We are contracted to photograph your team and players. As part of our service, we offer products to each sport/booster club at a set price. All sports pay the same for each item, regardless of quantity.

A few examples of things we have created for the sports teams we service.

Gym Door Vinyl Wraps
Team Banners
Player Buttons
Stadium Seats
Yard Signs

Player Heads
Senior Banners
Sponsor Signs
Team Blankets

Our Policy: We work hard to ensure that your photos are perfect, but in the event we miss something, we are happy to make it right! However, being prepared for your session is key. If you were unprepared or if you just didn't like the way you looked that day, you may be subject to a re-sitting fee.
