You're in good hands

With decades of experience, photographing & writing for publications locally, nationally and internationally, your Fine Art Portrait creator John Turton will create magazine quality images especially for YOU! Capturing cars, motorcycles and models for private and corporate clients he has combined his love of photography, vehicles and all that is beautiful, to create Elegant Glamour + Boudoir, a place where all of this comes together.

Pinups, Hot Rods, Models, Motorcycles, Kustom Kulture and Aircraft are all beautiful when you know the right angle to shoot! This is our expertise and exactly why we spend our time making YOU look and feel fabulous at your Elegant Glamour + Boudoir pampering experience, where IT'S ALL ABOUT YOU!

We know what makes a great image, so leave it to us, but if you have your own concept, let us know and we'll work with you to create YOUR vision.

Our professional hair and makeup artists begin the feel good process for you, while your photographer talks you through everything you'll experience for the next few hours...no need for nerves...then it's lights, camera, action!

After selecting your outfit for your first 'look', you'll be guided 'on set'...but don't worry, you're not alone, your photographer will walk you through the poses that look best...he knows these things, after all he's been doing this for over 20 years! Hair & Makeup

Professional hair and makeup services are included with your photo shoot experience! Once you book your shoot, we'll send you a fun questionnaire where you can tell us exactly the look you're going for! The day of your shoot, your stylist will be prepared to create the perfect look for you! Your stylist will also discuss makeup colors and styles based on your final outfit selections.

Professional hair and makeup is such an essential part of your photography experience...it can make or break your photo shoot and that's why we only work with the best makeup and hair artists! I have two professional hair/makeup stylists that I've worked with for years. Not only do they know how to give you the perfect look, but most importantly they know how to do makeup for the particular lighting and retouching techniques I use.

Do you have a specific look in mind? In addition to your questionnaire, feel free to create a pinterest board and send us the link!

Not sure what to wear?

Bring Everything

Upon booking, you will receive a 'Model Preparation' guide full of handy tips so you can arrive fresh, ready for your hair & makeup.

Upon arrival, you'll be served a glass of bubbly (or your preferred tippie) to enjoy while you're being primed and preened. Then we'll go through how the photo session will happen, let you see and hold our products and answer all of your questions.

If you'd like to discuss ideas, outfits and themes before your shoot, by all means call or email and even set up a Pinterest board and send us the link. The more information we have, the better we can cater to your every desire.

If you're not sure what to wear, just bring a suitcase full of stuff...most of our girls do...we'll help style you so you look fabulous!

WE ARE EXPERTS AT CAPTURING
YOU IN THE MOST FLATTERING LIGHT.

Posing

We have photographed hundreds of beauty portrait sessions with overjoyed customers and we know exactly how to pose you down to your fingertips! You don't need to worry about how you'll look...we have your back, you just need to simply show up for your session.

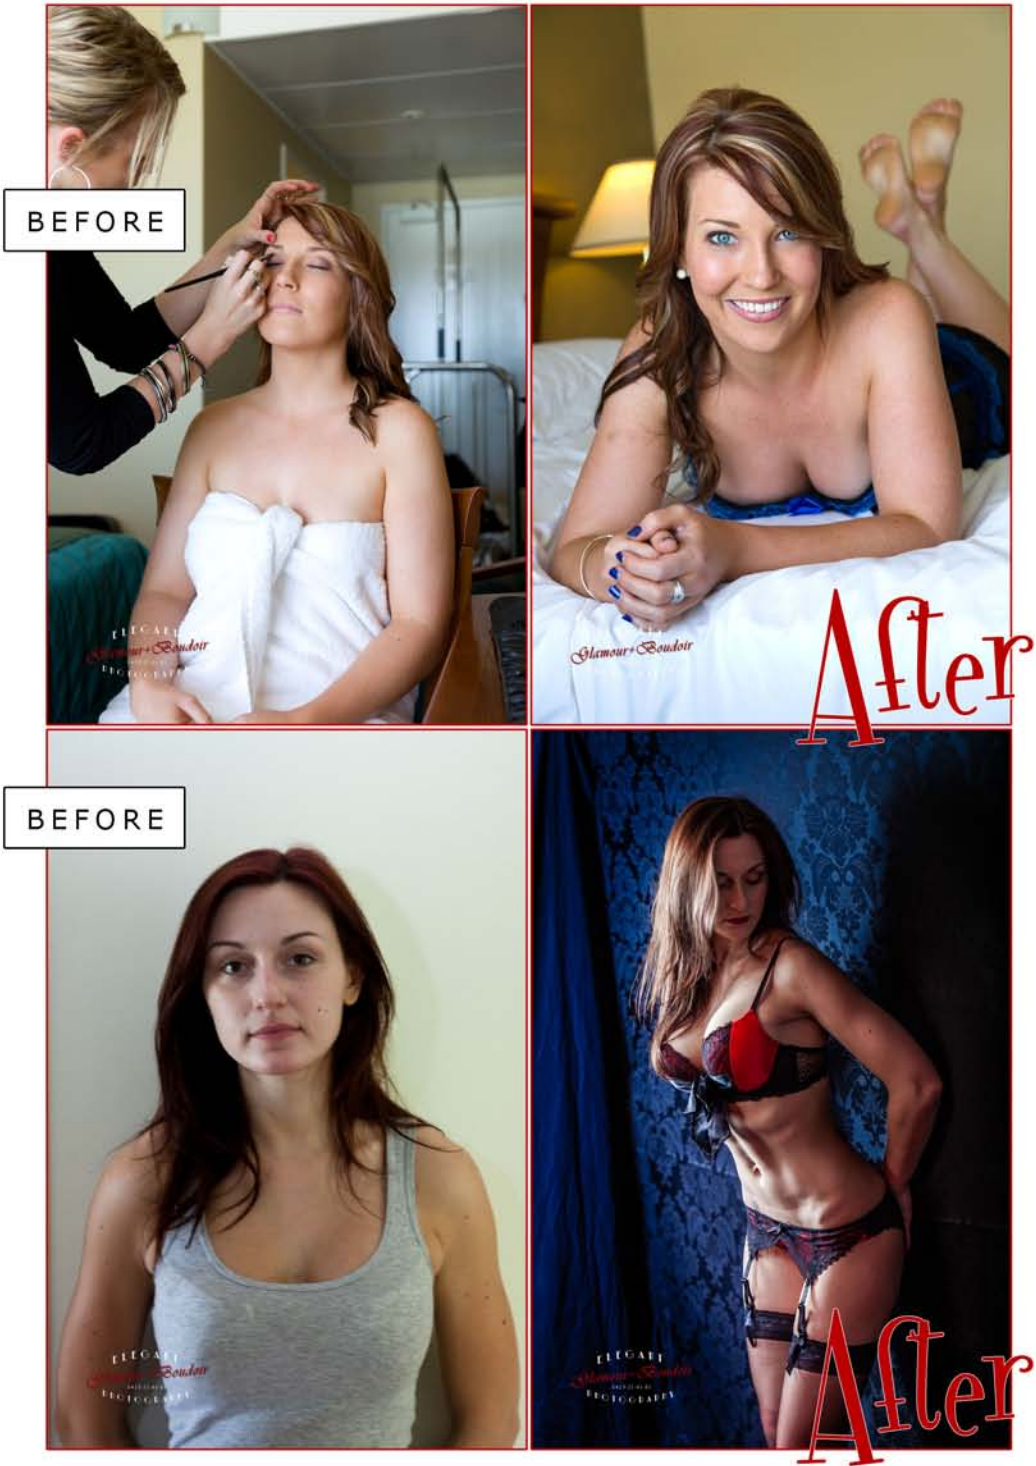

We have years of experience in posing to ensure that you are always posed in the most flattering ways and under the most flattering lighting. Once 'on set' we will just ask and demonstrate for you, simple things such as: "bring that shoulder towards me, bring your chin forward a bit, now look up at me with your eyes, put your hand here, etc." It's easy and again you'll see!

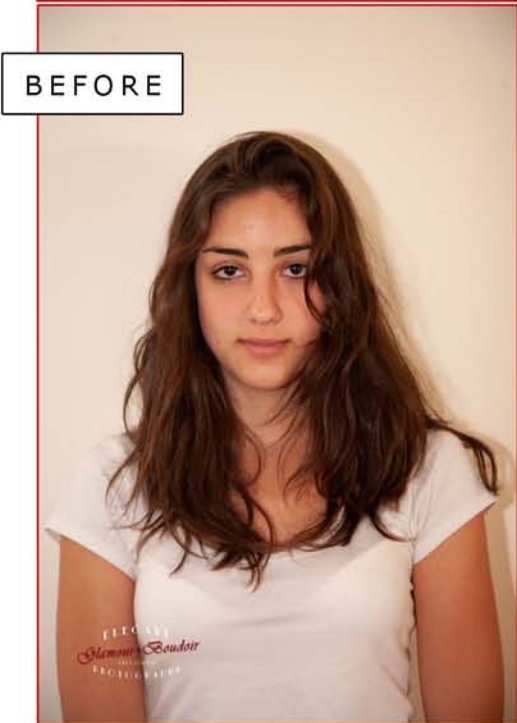

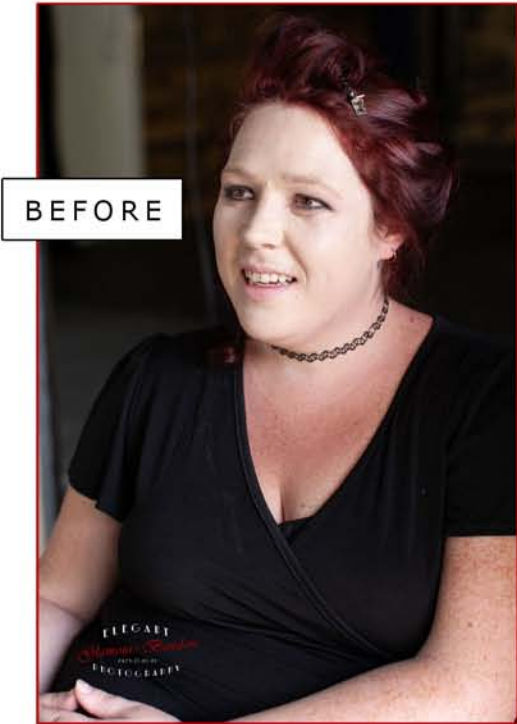

A black and white photograph of a woman posing in front of a vintage airplane engine. She is wearing a white lace bra, a white polka-dot skirt, and white heels. Her arms are raised, and she is looking towards the camera. The background shows the propeller and various mechanical parts of the engine.

Q: I'm not a lingerie type girl. Can I still do boudoir?

A: Absolutely! Lingerie is not the only way to look and feel sexy. We also do feminine portraits that are more like fashion shoots which are great fun and just as sexy as a lingerie shoot! You can do a boudoir shoot wearing anything you desire! An Elegant Glamour + Boudoir Experience is about YOU, not your wardrobe.

Q: I'm not sure I feel comfortable spending money on myself.

A: I totally understand, we've all been there! But you've seen what we can do for YOU...and YOU deserve this! That's why we offer pre-payment and payment plans to make a boudoir portrait experience manageable for any budget. This is an experience that you will cherish for your lifetime and you'll be able to look back at your pictures and cherish the memories and experience for years to come.

Q: What if I don't like my pictures?

A: After photographing women for over fifteen years, I'm confident that you will be thrilled with the finished product. However, if for any reason you're unsatisfied you may opt out of purchasing your photos.

Q: I don't know what to do in front of the camera, will I be OK?

A: Don't worry, we've been doing this for over twenty years and it's our pleasure to guide you along the way. We'll show you how to pose, explain things as we go along and show you how fabulous you look as we proceed...you'll be in great hands!

Q: Do you offer location photo shoots?

A: Absolutely! We're happy to shoot you in a location of your choice. Let us know where you'd love to have your Elegant Glamour Experience and let's make it happen!

Q: Can I just get the digitals?

A: We don't normally sell just digital files. This policy is due to clients getting inferior quality prints from non professional labs and blaming the files. Our files are produced on a fully colour calibrated system to ensure the best quality.

Q: Can I bring someone to the viewing?

A: Yes, you may bring 1 person with you to the viewing. Please note that we do one viewing session 60 minutes following your shoot, so be sure they know to be on time.

Q: What if I want a product you don't offer?

A: Please let us know what you're after. There are so many different products available and we offer what is most popular with our clients, however just ask, I'm sure we'll be able to source what you desire.

Q: After my order is placed, will I be able to purchase more from that shoot in the future?

A: Yes, we are one of the few studios that archive our files. But there will be an admin fee and any discounts you're offered at your initial viewing won't be available and any products you buy will be at current retail price.
