Thank you for selecting Noreen Owens Photography to create these art pieces for you. It is truly an honor! We are so excited to meet you!

HOW WE WORK

Our goal is to provide you with portraits that capture the real you, make you look your best, and celebrate those you love the most...your family. It is our passion to create works of art that fill your home and your heart with love, joy, and happiness each time you see them on your walls!

HERE'S HOW WE WILL DO THAT:

1. SCHEDULE YOUR SESSION

When you schedule your portrait appointment, there is a lot of information to cover so we do this all over the telephone with you.

2. PREPARE FOR YOUR PORTRAIT EXPERIENCE

We will give you details and a follow up guide on the steps you need to take to get ready for the big day!

3. PORTRAIT SESSION EXPERIENCE

This will be a fun and memorable experience for you and your family!

4. VIEW AND ORDER APPOINTMENT

At the end of your portrait session, we will schedule a time for you to return for your view and order appointment.

5. PORTRAIT PICK UP AND DISPLAY PORTRAITS IN YOUR HOME

You will be notified when your finished portraits have arrived and are ready to be picked up and beautifully displayed in your home.

OPTIONS

You can select from a vast array of printed portrait art options that will decorate your home and celebrate the people you love the most. We have sizes and finishes that are perfect for everything from the walls of your home to your smaller and more personal spaces. Each portrait you select will be meticulously hand-finished with a clear luminous glaze, and beautifully mounted.

It has been our experience that because of the variety of poses, expressions, and options, clients interested in only a few gift portraits invest \$300-\$750. Those interested in a wall portrait and gift portraits invest \$1500 or more.
