All our Wall Portraits are created by professionals from start to finish. Each Portrait is retouched, enhanced and printed to the highest of standards. In fact we guarantee you will love your portrait 100% or your money back.

The Basic Finish is heat mounted to a hard board backing and laminated for protection.

The Gallery Canvas Finish: Beautiful Canvas Stretched Portraits to last a lifetime. Archival Canvas combined with traditional stretching methods insures years of life.

The Gallery Wrap Finish: Similar to the Gallery Canvas but adds extra depth with a thicker more substantial sub-frame. Finished with wrap around edges and is meant to be hung without framing. A beautiful contemporary art piece.

The Painted Canvas Finish: Please ask us.
