ABOUT OUR STUDIO

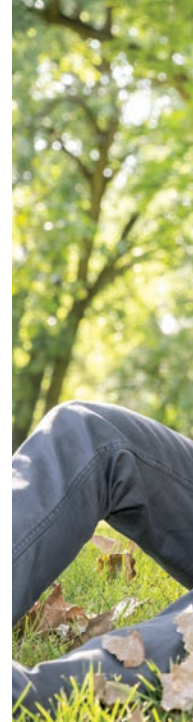

*“Marry me, Angela, and taste with me life’s
sweet marrow as small town studio photographers.”*

Over a decade later ... How far we have come! It’s great, it’s wonderful, it’s been a crazy ride along a fun road with an amazing community! Thanks to a small family loan and all of the sweat, tears, and other stuff ... we managed to get our foot in the door as a professional photographic studio and keep it there for more than a decade.

Our business is very much family oriented, especially now with our daughter Elloren, and we wouldn’t have it any other way. We’ve been fortunate to be a part of the lives of so many great people with portraits, weddings, high school seniors, restorations, and everything in between. Our community family just keeps growing and growing.

Here is hoping for many more years of meeting wonderful people and taking wonderful pictures capturing it all. We will do whatever it takes to make your experience with us as enjoyable and effortless as possible. Gather the whole family for a portrait session inside or outside. Dust off that picture album for us to scan, so you can finally share it with the rest of your family. Fix that old snapshot you found torn and wrinkled from years of neglect. Treat yourself to a solo birthday shoot and feel glamorous. Celebrate the lives of the people you treasure, share memories and spread the love ... we are here to help.

GENERAL PHOTO SESSIONS

Perfect for Families, Couples, Maternity & Pets!

On-Location

For on-location sessions, we'll travel up to 20 miles from our Homewood studio to meet you at no additional cost. Use your own home as a backdrop; or the Loop, the lakefront, beautiful parks and more are all within range. Not sure where you'd like your outdoor pictures? Ask us! We love recommending the right location to fit your family's needs.

In-Studio

We offer a lot of options in backgrounds (see right), set pieces and more. Whether you're looking for something fun, traditional, or eye-popping, we can help create and capture exactly the image you want. You're also welcome to bring an outfit change.

Sitting — \$105

Our professional portrait photo sessions are one hour long. It's your hour: we don't charge for the number of people or poses during that hour.

Whether in-studio or on-location, it's the same price. All sessions are by appointment only.

Deluxe Sitting — \$125

Prepay and get two sessions for a discounted rate! Sessions can be either outside or in the studio. (Both sessions must be completed within 12 months.)

HIGH SCHOOL & COLLEGE SENIOR SESSIONS

The typical high school and college sponsored portrait offers can't touch our senior picture sessions. We adore helping young adults express themselves and work with each student to let their spirit shine!

Senior sessions last approximately 1.5 hours. We split the time between the studio and outdoor locations. Seniors are encouraged to bring things that make them who they are. For example, sports uniforms, band instruments, and a change of outfits. We have caps and gowns available.

We begin with a studio sitting, then move on to the location of your choice, in an outfit reflecting your personality. We continue on to a third location featuring your interests, or something more relaxed and casual.

Senior sessions are available to all high school and college seniors.

Senior Sessions: \$345

Senior Sessions include:

- 1.5 hour sitting
- 2-8 x 10 sheets
- 4 sheets of wallets
- 4 digital images

HEADSHOTS

Facebook, LinkedIn, on-line job and dating sites—more people are looking at you than ever before. A professional headshot helps you always look your best and make a great first impression. Perfect for individuals or the whole office staff.

Headshot photography is priced per person. Two full sized digital files are included with each headshot session. You can choose to be photographed on 2 backgrounds and/or in 2 outfits. We recommend one business formal and one business casual outfit. Additional digital images are \$20 for each full sized digital file.
